Collectable Tub Datasheet

If you are bringing a tub from the pricing bench, do not enter data on this sheet. It has already been counted on the crate and pallet sheet. Put a tick on the label to show that it has been accounted for.
If bringing a tub from the driveway, weigh it on the scales, then put the data on here. Put a tick on the tub's label to show that it has been entered.

Date:								
Weight:
